Southern Crescent Traumatic Brain Injury Center

PROVIDING REHABILITATION SERVICES  
FOR THOSE IN NEED

## Compassion in Every Treatment

### About Us

Southern Crescent TBI Center is a leading short term in-patient rehab facility dedicated to providing high-quality rehab to individuals with various diagnosis . With a strong commitment to excellence, innovation, and patient-centric care, we have established ourselves as a trusted partner in the healthcare community. Our goal is to progress individuals as quickly as possible to their highest functional ability and, whenever possible, to return them to the community, either independently or with support.

### Our Services

#### Physician & Nursing Services

The intense pace of our Active Transitional Program requires nursing care, progress reporting, ongoing care plan review and frequent visits with our physicians and support staff.

#### Case Management

Our dedicated case managers will help you and your family through the entire rehabilitation process from admission to discharge planning.

#### Rehabilitation Services

We offer physical, occupational, speech and respiratory therapy. These services aid in the recovery of acute, sub-acute and qualifying LTAC patients .

#### Insurance

We accept private pay, workman's comp and commercial insurance plans. Please contact us for more detailed information regarding coverage. Unfortunately at this time we do not accept Medicare/Medicaid. The average age range of our patients are 18-63 years old.
